

What is BioEnergetic Medicine?

Pamela Middleton, M.D.

BioEnergetic Medicine: Why I am so excited about it!

"THE BODY CAN HEAL ITSELF WHEN GIVEN WHAT IT NEEDS"

BioEnergetic Medicine vs Green Medicine

The medicine of the future

Encompasses all models of medicine

Combines medical sciences and energetics

Allows practitioners to move anyone through the healing process into maintenance

Uses nutrition, lifestyle, homeopathy and herbs

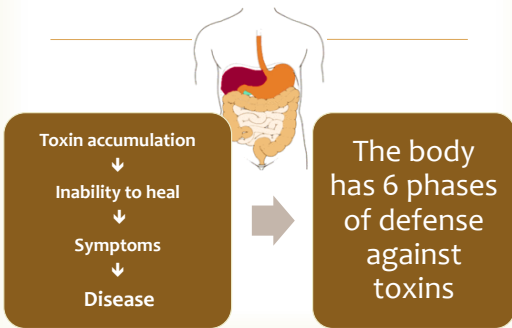

Remember basic biology?

Toxic Soup

The Body Is a Flow System
